SERVING THE PEOPLE OF TULLY

Vacant Board of Education Seat

Effective July 9, 2017, Mark Drumm resigned from his position as a member of the Tully Board of Education. Mr. Drumm served as a member of the Tully Board of Education for 13 years, and served as Board President for the past two years. Over the years, Mr. Drumm has donated countless hours of time to the Tully Central Schools, and we are better off for his efforts. I would like to take this opportunity to say thank you to Mr. Drumm for his many years of service as a member of our Board of Education

During the July 10th BOE meeting, our current Board of Education decided to hold a special election in order to fill this vacant board seat. This special election will take place on September 26, 2017. Polls will be open from 7:00 a.m. to 9:00 p.m. Voting will take place in the Elementary School

Conference Room (same location as our annual school budget vote).

The term of this vacant board seat will begin immediately following this special election, and will extend through June 30, 2019. Candidates for this vacant board seat must be nominated by petition. Each nominating petition must be filed with the School District Clerk, Tully Central School District Offices, 20 State St, Tully, NY 13159, no later than 5:00 p.m. on August 28, 2017.

Each nominating petition must state the name and residence of the candidate and be signed by at least 25 qualified voters of the school district. Each person signing the petition must also state his or her residence. It is good practice to obtain more than 25 signatures.

Under the law, a qualified voter is one who is entitled to vote at a school district

election. To be entitled to vote a person must meet these three qualifications:

- A citizen of the United States
- At least 18 years of age
- A resident of the district for a period of at least 30 days prior to the election.

Nominating petitions are now available in the District Office. If you would like a nominating petition, please contact Mary Fisher, District Clerk, at (315) 696-6204 or email mfisher@tullyschools.org.

As always please feel free to contact me with any school related questions or concerns. Enjoy the remainder of the summer.

Robert Hughes,
Superintendent of Schools

Breaking New Ground

The new Tully baseball field has broken ground! Jeff Lantiegne, The Wesson Group LLC, along with JBS Dirt, Inc. have removed the topsoil and leveled the terrain. Thanks to Bill Lund, WL Paving & Plowing LLC for mowing and disking the area to facilitate the sod removal and installation of the silt fence.

Next up, the under drain...and then we start building the field.

On the horizon, we will need volunteers to install sod. Additional funding will be needed to secure the fencing and backstop. Ideas and assistance always welcome, zekemohat@gmail.com. When completed this will be a total community effort.

Pictured below are some of the volunteers who helped erect the silt fence...and a whole bunch of dirt!

Special thanks to Steve Breitzka, EDR Landscape Architecture, Engineering & Environmental Services, D.P.C for all the pre-construction assistance and drawings.

During the month of July, Kate Shaw, a certified Yoga instructor, offered her first Yoga course for the kids of Tully. This program was a huge success! With 10 students participating, the kids got an opportunity to learn basic yoga skills, while playing different games and activities. We are looking to offer this program again, and hope that more Tully kids can participate in the future.

September is the start of Rec Soccer in Tully. Programs are offered for all ages (K-6th). Registration forms can be found on the Tully Schools website (Community/Parks & Rec). Please consider helping out the soccer stars of tomorrow!!

Memorial Benches

Two new benches adorn the porch at the Historical Society; one in memory of Dr. Ed Leonard and the other in memory of Eleanor Preston. Dr. Leonard was instrumental in the organization of the Historical Society and was the first president. Under his leadership the organization held pancake breakfasts and initiated the annual celebration of ice harvesting. Eleanor Preston followed as president for over 15 years. Eleanor initiated the development of the Community Fair, the publication of the Fabius/LaFayette/Tully small telephone directory, re-established Christmas at the Station, and coordinated the renovation of the Train Station in behalf of the Town. Both persons devoted numerous hours to the betterment of this organization and its' activities. If you are out walking, stop by and sit awhile.
