The Town of Tully Fall Cleanup Day is next month. I am asking all residents to comply with the rules that apply to having the dumpsters available for Town of Tully Residents.

Town of Tully Waste Only!!!

Allowing our neighbors outside the Town to dump has increased the cost to the point of not being able to offer this service two times a year or not at all.

Thank you for your continued cooperation.

Bill Lund, Town Supervisor

The Tully Town Board is looking to contract with the SPCA for dog control services in 2018. More info to follow.

NOTICE OF CONTINUATION OF PUBLIC HEARING

PLEASE TAKE NOTICE that the Town Board has moved to continue the Public Hearing relative to the keeping of farm animals to the 11th day of October, 2017 at 7:15 P.M. at the Tully Municipal Building, 5833 Meetinghouse Road, Tully, New York

Persons wishing to appear at the hearing may do so in person, by attorney or other representation. Communications in writing in relation thereto may be filed with the Board, or at such hearing.

Cornerstone Park

This week, weather permitting, there will be significant progress at Cornerstone Park on the interior court yard. Many pavers will be delivered and Contractor Dave Hardy has already done some of the scraping and grading in order to lay the hardscape for the walkways --Entrances, Celebration, symbolic Plank Road, and Agriculture Plowed Fields. Also this fall, the Cornerstone letters will be mounted on the stone wall facing Elm Street.

This is a very exciting time for this project. Stop by to check it out! And a BIG THANK YOU for all your help and patience.

Crossing Guard Needed

Village of Tully has an opening for a

crossing guard

at the 4 corners in Tully. \$9.70/hr school days from 7:30-8:00am & 2:30-3:00pm

Tully Community Day

Although it was a cool, cloudy day over 30 vendors/organizations participated in this year's Community Day to provide a variety of crafts, food, and promotional information. The parade boasted six floats all of which reflected considerable time and preparation. These were judged on public appeal, decorative content, and special effects. The Organization category winner was Church of the Nativity; and the Business category winner was the Truxton Academy Charter School. The Tully Fire Department was awarded the Adult Marching Unit; and the Boy Scouts won the Youth Marching Unit. The Best Costumed Pet went to Tully United Community Church's dog, Maggie. As there were no candidates for best decorated Bicycle or Tricycle, this category was award to Kathy Vernay/ Carl Rosato for their decorated Motorized Cart. Best Antique Vehicle was awarded to both entries - - Dick McKnight and Charlie Sturgen. On behalf of the Tully Area Historical Society, THANK YOU to all the Vendors, Organizations, and Parade Participants

Tully Arts Council

Tully Arts Council, after a busy summer with MARY POPPINS, is back in the arts event business, beginning with two special concerts and other events you are not going to want to miss.

First up are two events for music lovers that you will want to make a priority if you are one.

1] JOEY BLAKE, internationally known singer/composer/arranger is returning to Tully for a half-week of amazing events beginning Thursday, Sept. 28th. He will be teaching and conducting workshops in CircleSinging at Tully High School and Syracuse University during the weekdays, but is giving a

Concert at the Train Station on Thursday night [the 28th] at 7 PM

An open-to-everyone CircleSinging Workshop on Sunday, Sept. 30th, from 10 AM to 12 PM.

He will be topping it off with a special

Jazz Night at the Artworks Gallery that same night, Sept. 30th at 7 PM, where wine and other drinks and special desserts will be served amid candlelight and wonderful music!

These events are made possible by an arts grant, so all these events are free, except for the final Jazz Night, which is only \$5 including drinks and desserts. Tickets are available online at Ticketleap.com and at the ArtWorks gallery.

Next up is A Special Evening with Loren Barrigar, Oct 22nd, 6-8 PM. This is going to be an amazing concert, a small, up-close experience with the artist who is probably the best musician in all of Upstate New York and perhaps the best finger-style guitarist in the world. Tickets are \$15 and can be purchased online or at the ArtWorks gallery.

Online sales of these tickets are at www.ticketleap.com. Just type in "Joey Blake" or "Loren Barrigar" to get to the event site.

There will be many more concerts, craft lessons, dance classes, paint nights and other events in coming months. Keep an eye out for them; they sell out fast!

DON'T FORGET

Test your smoke alarms once a month and change the batteries at least once a year.

Our Tully Parks

Tracy Lake and South Meadows Nature Area suffered from the early summer wet season. We are happy to report that Tracy Lake property, under the Stewardship of Peter Huntington, has now dried to walkable condition and a few fallen trees have been removed.

However, South Meadows Nature Area, under the stewardship of Marian Jerose, had far more water damage with fallen trees, boardwalks thrown about and the bridge over the entrance creek was tossed far off its moorings. Marian's work crew constructed a higher gravel footing for the bridge and moved it back to the original location with jacks and levers. Also a number of heavy plank board walks, which travel over wet lands, were maneuvered back into place. The unique capability for manually lifting these heavy pieces was engineer

ed

by Volunteer Bob Wiley. Also several fallen trees had to be removed. TAG is happy to report that our two diamond CNYLT properties are now fit for foot traffic and once again back to healthy conditions.

New and Improved Registration Process for

Tully Parks and Recreation!

The Tully Parks and Recreation Department is working with *Active.com* to offer **online registrations**.

The registration link will always be available on the Tully Schools website: www.tullyschools.org (Community/Parks & Rec). We will still send flyers home through backpack express giving details about the current programs being offered.

ON IT'S WAY

The new Tully Baseball Field is starting to... resemble a baseball field. 21,000 pounds of clay have shaped the pitcher's mound and batter's box while 144,000 ton of infield mix has been spread so far. Base anchors, home plate and the the pitching rubber are in and soon the backstop netting will be erected. Thanks to all the community members who continue to "pitch" in with labor, equipment and donations. Our Community Day raffle raised \$4900. Lucas Erno organized some great gift baskets and the winners were very happy to take them home. Special thanks to Mayhood's Sporting Goods and RowJimmy Guide Service for offering the crossbow package and fishing trip. We put a dent in the \$29,000 needed to order the sod and hope to install by mid October. Still looking for someone with talent in the cement world to lead a group on dugout construction. Anyone with corporate affiliations who may be looking to make end of the year donations to a nonprofit 501c3 organization email zekemohat@gmail.com. The concessions at the Cornfield Classic will be our next fundraiser the first weekend of November. Those interested in volunteering at the event please reach out.

Continued thanks to Chris Henry, Adhan Piping Company, Inc. whose keen eye and witty sarcasm are invaluable.
