## TULLY SENIOR CITIZENS

Tully Senior Citizens was established in 1973. This year we celebrate our 45th year and over the years we have singled out someone from the membership for special recognition at our annual birthday party. We refer to this recipient as the "Tully Senior Citizen Of The Year". This year on May 9th at a catered dinner and meeting we recognized Marilyn Twentyman Stoker as our Tully Senior Citizen of the Year. Marilyn has put others before herself, looked for ways to make life easier or better for others, volunteered to organize events or efforts to assist others, worked shoulder to shoulder with others in the community, asked for nothing in return except for the satisfaction of knowing she has helped others and made a better community for us all. Among many other achievements, Marilyn worked at the Preble Milk Co-op for 17 years and served as Preble Town Justice for 20 years. Marilyn has received numerous awards for her many and varied contributions to our local society. Marilyn was awarded a plaque "For Being a Model of Achieving the Art of Aging Well", and received a proclamation in her honor from New York State Assemblyman Al Stirpe. Many members of Marilyn's family came to the Tully United Community Church to help us honor her.

### Kings Corner Market

Spring has sprung, seeds have been planted, ideas are being created and plans are going into action. As I write this article I took a moment to reflect on what the 4 corners once was when we started. It was a busy traffic intersection, the holding place for annual parades and had pedestrian traffic when the school day ended, but at that time it was not an area for neighbors gathering and community events. We all know Tully is an amazing area with outstanding talent and beautiful people, but giving them opportunities together outside of church or school was a challenge. A challenge that the volunteer board members of KCM took on. Kings Corner Market is sponsored by the Village of Tully and because of that we can use the right of way (ROW) spaces for our vendors, this in turn creates a beautiful sight in the heart of the village Tuesdays in August from 4-7pm.

Over the course of the last 7 years we have witnessed many changes. When KCM first started, TAG was in the planning phase of Cornerstone Park, now you can find one of our personalized KCM paver. Nightingale's Hardware has joined the plaza, Tully Arts Council's now occupies what was once Encore Video and Elm Street Café was still new to the corner. Curves was where Rusty Wheel Pottery is now, and the bank building has changed its branding a few times over the years. That's in addition to the most recent addition of the new businesses: The Local Grocery, Tully Fine Wine and Bloomin Cup. It will be interesting to see what the next 7 years brings!

It's been a pleasure working with the board of volunteers and providing a successful community event. Part of our mission is to help citizens become more familiar with local farmers, producers and artists in efforts to sustain our local community. We hope you have marked your calendars and are planning to attend this year. It's a great opportunity to stock your freezer, buy local art, mingle, grab a bite to eat, listen to music and enjoy the beautiful summer nights in the village of Tully, NY.

### Zoning Board of Appeals

The Zoning Board of Appeals has a vacancy. The ZBA is a 5-member board made up of Tully residents. If an application for a building permit is denied, the ZBA determines whether the project should go forward based on various factors as well as documentation submitted by the homeowner. They generally meet the 4th Wednesday of the month, but only if there is a matter before them. Tully resident preferred. Anyone interested in filling the position, please send resume to either Bill Lund or Sue Vaccaro @ Po box 206, Tully NY 13159, or [tullysupervisor@cnyemail.com](mailto:tullysupervisor@cnyemail.com) or [tully-townclerk@cnyemail.com](mailto:tully-townclerk@cnyemail.com).

### Tully Village Board News

A stop sign will be installed at the top of Catherine Street, at the intersection of Catherine Street and Skaddan Terrace. The Board decided to begin charging non-village residents \$25 for rental of the pavilion at Cummings Park, continuing a \$25 returnable security deposit for all if no repair or cleanup is needed.

The Village of Tully is assessing its need for faster communications with its residents. Residents may contact the mayor with any questions at [Villageoftullymayor@gmail.com](mailto:Villageoftullymayor@gmail.com) or call 696-5041 to speak with our clerk.
