Tully Action Group News

TAG had two very successful fund raisers for Cornerstone Park construction:

Mother's Day Hanging Basket Sale, May 12-13, thanks to Nightingale Hardware store for sponsoring this event, and to all volunteers who helped.

TAG perennial Plant sale: May 26 held at Cornerstone Park. Thanks to everyone who donated plants and to all volunteers for the event.

Also: Once again TAG will participate in King's Corner Farmer's market, every Tuesday in August. Donations of garden delectables (jams, honey, etc.) will be appreciated.

38 new engraved pavers will be added to the Park - there's still time to purchase one to commemorate and celebrate someone - or even your family! Forms at the Tully Town Offices.

Please take the time to visit the South Meadows and Tracy Pond trails, they are beautiful any time of year and well maintained!

King's Corner Market

June, what a wonderful time of the year! The gardens are planted; the asparagus and rhubarb just won't quit. The first lettuces are delicious, and oh the flowers! Needless to say, we at Kings Corner Market are SO excited for this time of the year, and we can't wait for the bounties August has to offer us.

Tully is an amazing community, a small town with so many talented farmers and artisans. We at King's Corner Market, are thankful for the support of the Village of Tully, allowing all of our vendors to set up on the right of way, in the heart of the village, providing the community with a safe opportunity to peruse the offering of our neighbors.

This year we welcome many of our returning vendors, offering specialties from heirloom vegetables and fresh baked bread, to hand-made soaps and beautiful jewelry. We are equally excited for some fun new additions from our community. We welcome two new food trucks, which will provide some delicious eats to our customers each week, while you shop and stroll. And, if you and your kids are needing a little stretching out after all that shopping, you can join local resident Kate Shaw for some King's Corner Yoga, to keep you limber!

While you are visiting the KCM market, Tuesday's in August, be sure to check out all of the other local action in the neighborhood. The Tully Free library will be providing fun activities for kids, and the Tully Council for the Arts, and TAG, will be sponsoring musical entertainment in the new Cornerstone park. Equally, we have the good fortune to be surrounded by amazing local businesses like the Tully Local Food Market, Rusty Wheel Pottery, Tully Fine Wine, Nightingale's Hardware, Bloomin' Cup, and the Tully ArtWorks, to name just a few! The entrepreneurial energy in our little town is just fantastic!

We hope you will join us in August to stock your freezer, buy local art, mingle, grab a bite to eat, listen to live music and enjoy the beautiful summer nights in the village of Tully.

ARTS DISTRICT GOES INTO DEVELOPMENT, SEEKS INPUT FROM EVERYONE

For the last several years, the Tully Arts Council has been taking steps, including grant writing, research, and agency outreach, to bring commerce, out-of-town money, and tourism to the Village and Town of Tully through art. A five-point plan is in place and largely underway, with the intention of launching next year!

Almost three years ago, the council developed plans which led to a request that the Village Board designate the area around the one-and-only stoplight in the village as an arts district. While the designation does not affect zoning or value, it allows for grants to be written and for the district to be advertised as a fun, high-quality group of businesses. It will also add a splash of color to attract visitors to the area, which itself is full of natural beauty, and will brighten it up for those of us who live here.

The first step in making the district is the design, manufacture, and installation of seasonal poles with arts district banners in front of the stores and businesses. These poles will go up each year around Memorial Day and come down after Halloween; they will be thin and tall like flagpoles and sit in the grassy rights-of-way between the curb and the sidewalk. The banners are being designed now, and when we have a few choices, we will let people in town vote for the one they like best!

Additionally, plans are for each pole to be topped with a different metal sculpture that evokes either something about art or about Tully. When finished, this will make a walking tour that people visiting from out of town and townspeople alike can take and learn about Tully and its history, including that of its art.

We will be having an open gathering at the ArtWorks gallery in September to talk more about this concept and answer any questions people might have. As with all things related to the Arts Council, there will be yummy food.

So if you'd like to help, and be a part of making the village and town of Tully a place where people would like to visit and see our beautiful lakes, ski mountains, walking trails, wineries and orchards, fall foliage and snowmobiling trails, and SPEND THEIR MONEY, as well as beautifying it for ourselves, please contribute any idea you have of what you'd like to see on top of a pole representing Tully or art. You can email your ideas to tullyartscouncil@gmail.com, send them to us on Facebook at "Tully Arts Council," or drop them off at the ArtWorks gallery.
