TRASH SERVICE

After a competitive process, SOTS (Southern Onondaga Trash System) has approved Dependable Disposal to provide the district with automated containerized trash collection. This new system has many advantages for the customer and the service provider like safer collection, fewer employee injuries, convenience to residents and cleanliness.

The new service provided totes will be distributed to homes beginning September 21 and be completed by November 3. The new totes must be used as soon as you receive them. Old trash containers can be disposed of by putting them into your new trash tote. OCRRA recycle bins can be turned into your local highway department. The new totes are displayed at the Tully Municipal Building.

Tully United Community Church

A spirited team put together a float for the Tully Community Day Parade featuring the TUCC Bell Choir. The choir practices on Wednesday nights and brings music to enhance Sunday morning worship at least once each month and on special occasions too. They gave a ringing endorsement of community pride!

The next community Blood Mobile will be held at TUCC on Saturday, 10/13. Call the church (315.696.8066) for more information about donation appointments.

TUCC will host another of its famous Community Dinners on Sunday, October 21st. All are invited to this free dinner to share fellowship with their neighbors. Chicken and biscuits, sides, and pie will be served from at 4:30pm - 6pm. Donations towards food cost are appreciated.

Check our website, tullychurch.org, for our worship time and schedule of upcoming events. Pastor Richard G. Reed and we will welcome you!

TULLY COMMUNITY DAY

It was a beautiful sunny day and the Elementary School lawn was an array of variable vendors offering a selection of goods and information.

The Tully Area Historical Society hosts this event to provide opportunity for the community to gather - - shop a little, eat a little, visit with old friends and meet some new neighbors. We feel a sense of Community is important and sincerely appreciate the time and effort of those that participate.

Parade winners this year were:

- Tully Fire Dept. – Adult Marching Unit
- Tully Robotics – Youth Marching Unit
- Tully United Community Church – Organization
- Bloomin’ Cup – Business Participation
- Quinlan Wykstra - Costumed Youth

Honorable mention to the FFA, Tully Boy/Girl Scouts, St. Leo’s Church, and both Mike Healey and Dick McKnight for their antique vehicles.

A large THANK YOU to the Tully Fire Department for their help with set up, tear down and traffic control during the parade - - - without their help, we would not be able to hold this function.

TULLY ROTARY

Please join us at 5:30 pm on Thursday, September 27nd for a fun and informative evening - this time at Beak and Skiff; RSVP at Tully.Rotary@gmail.com and we'll look out for you.

Featuring local business people and community leaders, the monthly Business Backstory with Tully Rotary gives you a chance to learn about local businesses and organizations while getting an inside look at what it takes to build and sustain a successful enterprise. This month, we'll congregate at the Tasting Room bar for a quick drink at 5:30. We'll take a quick tour of the campus, then grab a snack at the Bakery Cafe.

We look forward to seeing you, and don't forget to invite your friends and neighbors too! Suggested donation \$5 per person.

PS: If you have a business or organization you'd like to have us showcase in our Business Backstory program, send us an email at or leave us a note on Facebook.

TAG NEWS

The Cornerstone matching funds campaign was a huge success!! Our thanks to all of you who supported this very generous gift and project! As you can see, the green turf is being installed, and more finishing touches can move forward due to your generosity!

Also, 66 new engraved celebration pavers will be installed !

The show of community spirit towards this park has been amazing.

Our two local wild areas: Tracy Lake and South Meadows are in good shape and ready for birding and cooler walks in the woods. A lot is being done to remove invasive species and keep the areas mowed and trails cleared.

Our thanks to all who have given time to this effort as well.

Maximo Flint-Morgan will be at the Tully JSHS library on November 5th from 5pm- to 7pm to assist families in completion of their FAFSA Applications. Maximo has worked in the financial aid for many years and can help you navigate the paperwork needed for aide.

Tully Alumni Gathering

The annual Tully High School Alumni gathering was held August 18th. Special recognition was given to Justin Edinger who was celebrating his 80th year as an Alumnus. It was written in the 1938 yearbook by his Soccer Coach, "Justin is always quiet but always in the right place at the right time". Tully made Soccer history that year receiving the County League Championship Cup. Justin also was individually awarded a Silver Cup for Baseball and was a significant player on the Basketball Team. Justin went on to Syracuse University to earn his Engineering Degree. He is certainly a prime example of achieving the art of aging well.

Two Alumni present were celebrating their 75th year since graduating: Doris Fisher Brenchley and Edith Edinger Gorney. That year the Board of Education voted to give honorary Alumni status to two seniors that had been called to War; Calvin Bigsby and Bill Butler. More than 50% of living graduates from the Classes of 1958 were in attendance and enjoyed getting together for dinner the night before. The main Class of Honor was 1968 celebrating their 50th year by paying tribute to Guidance Counselor and Football Coach, Dick Perry. They prepared a great display and video featuring Mr. Perry as well as class remembrances. Next year's event will be Saturday, August 10th.

TULLY PARKS and REC

On Saturday, September 15th the Tully Parks and Recreation Department kicked off another season of Rec Soccer. With over 150 kids participating from Pre-K to 6th grade, we are very excited for this year's program. A special thanks goes to Jack McNerney Chevrolet for sponsoring the soccer program and supplying equipment for all our teams. Games will be played on Saturday mornings, starting in mid-September and continue till the end of October.

We are very fortunate to have a tremendous group of coaches this year. From parents to high school students, the rec soccer players are being given a great opportunity to compete and improve throughout the Fall.
