## TULLY NEWS

*SERVING THE PEOPLE OF TULLY*

### Tully Historical Society

As the new year begins, our Historical Society is very grateful for the volunteers that give of their time at the Country Peddler Consignment Shop and at the headquarters office. Like many organizations in our community, as our volunteer base grows older, and some move out of the area, we need to recruit NEW volunteers. At the Country Peddler there are 2-1/2 hr. & 3 hr. shifts to be filled; and on Mondays help is urgently needed just to price new items and tidy up those already on the sales floor (9-12:30). We feel our Consignment Shop offers a friendly and affordable place for folks to shop. Volunteering is a great way to give back to the community, and have fun at the same time.

We are also in need of assistance in our Twice Read Book Store at the headquarters office and with miscellaneous clerical work. Again, volunteer time is very flexible -- just an hour or two a week. Call 315-696-4681 for more information.

The Historical Society finances the maintenance of their two buildings largely through the Consignment Shop sales, along with the annual Community Day, Christmas @ the Station, the Twice Read Book Store and our gift items. Monetary support is also received through the generous support of bequests and donations. Check our website to view all that is going on at T.A.H.S. ([www.tullyhistoricalsociety.org](http://www.tullyhistoricalsociety.org)).

Your help and support are greatly appreciated.

### Enrich Your Life in the New Year:

- Call an old friend, just to say "hi".
- Offer someone who doesn't have a car a ride to where they need to go.
- Help your neighbor shovel snow or clean their car off.
- Give your place in line at the grocery store to someone who has only a few items.
- Drop some homemade soup or cookies off to the firehouse or auto garage for those working as an extra "thank you" for their service.
- Once a week, send out at least one "thinking of you" or "get well" card.
- Tell a child you're proud of them.
- Tell a cashier "have a nice day"
- Hug someone in your family for no reason
- Last, but not least - -SMILE and mean it!

### From The Town Of Tully

There is an opening on the Grievance Board of Assessment Review. The board meets in May for any residents who wish to grieve their taxes. It's a five-year term beginning Jan. 1, 2019. If interested, please send letter of interest to Tully Town Supervisor, P.O. Box 206, Tully NY 13159.

### News from the Village Board

LED lights have replaced the old streetlights in the Village. Residents have commented on how bright they are. This approximately \$6000 expenditure was funded mostly by a \$5000 grant. National Grid believes the savings from using these lower energy lights will pay off the remaining \$1000 before the end of 2019.

## Happy New Year(s) from TUCC!

We had a great turn out for the craft workshop on Dec. 9th. So much fun and so many beautiful decorations went out the door to brighten your holidays and those around you. We look forward to hosting more workshops in the future.

The Christian calendar begins its new year with the season of Advent, four weeks of preparation for the birth of Jesus. As part of the preparation the church sanctuary was transformed from its normal beauty to awesome beauty in (almost) one service. Swags and wreaths, a live tree with sparkling lights, a lit star in the baptistry, and gorgeous poinsettias everywhere. The venue was just what the soul needed, a place to be in awe of God's many gifts and, perhaps, for a new personal meaning of the birth. This sanctuary beauty will stay at least through Epiphany (1/6) and you are welcome to stop by (5872 Meetinghouse Rd.) and have a quick look or sit a spell and truly absorb.

Also to celebrate Epiphany, the TUCC Choir will participate in the Epiphany Choir Festival held at the Homer Avenue UMC, 30 Homer Avenue, Cortland NY, Sunday afternoon January 6th at 3pm. The pieces they are preparing include "Noel" by Heather Sorenson and "Advent Credo" by Joe Martin. Many neighboring choirs will also be participating.

Our secular calendar celebrates its new year January 1st and there are many traditions to ring in a new year. It's a happy time, an opportunity for a new start or a fresh slate. It's something we all look forward to.

TUCC wishes everyone Happy New Years!
