## Tully Free Library

Please join us for a reception on Sunday, June 9 from 2-4 PM to welcome a local historic treasure back to the Tully Free Library.

The Tully Community Chadwick Quilt was created in 1976 by a group of local Tully women. The quilt's 20 squares represent familiar Tully scenes from that time.

The quilt was raffled off as a library fundraiser, and the winner was Axilda Chadwick, a Tully Lake summer resident. The Chadwick Residence, a non-profit organization in the Valley area of Syracuse for homeless women and their children, is named in honor of Axilda Chadwick.

The Tully Community Chadwick Quilt is returning to the Tully Free Library as a gift from the Chadwick family, and will be displayed for all visitors to enjoy.

## Tully Senior Citizens

Tully Senior Citizens was established in 1973. This year we celebrate our 46th year. Over the years we have singled out someone from the membership for special recognition at our annual birthday party. We refer to this recipient as the "Tully Senior Citizen Of The Year". This year on May 8th at a catered dinner and meeting we recognized Esther Hoose as the Tully Senior Citizen of the Year. Esther has put others before herself, looked for ways to make life easier or better for others, volunteered to organize events or efforts to assist others, worked shoulder to shoulder with others in the community, asked for nothing in return except for the satisfaction of knowing she has helped others and made a better community for us all. Among many other achievements, Esther is currently President of the Tully Senior Citizens (She also currently serves as Trip Coordinator and has served as Vice President). She is also currently President of the LaFayette Senior Citizens and the Preble Garden Club. For many years she served our community as Den Mother, Brownie Troop Leader, Girl Scout Troop Leader and Girl Scout Troop Administrator. She chaired the Tully Elementary PTO Spring Carnival for five years. She served as Church Clerk at the Rose Hill Baptist Church for 12 years and was Activities Director at The Elizabeth Brewster House in Homer, NY for several years. You may see Esther working at the Polls, where she has been Poll Inspector/Machine Specialist since 1996. Many of us enjoy Esther's Christmas crafts and ornaments in our homes. Esther is also a devoted wife of 44 years, mother of 4 daughters and 1 son, and grandmother of 12. Esther was awarded a plaque "For Being a Model of Achieving the Art of Aging Well", and received a proclamation in her honor from New York State Assemblyman Al Stirpe. Many members of Esther's family came to the Tully United Community Church to help us honor her and her accomplishments. Congratulations Esther !

## Tully Interact

The weather is finally starting to work in our favor. This has been another busy month for the students of Interact. We started off the month with the annual Earth Day cleanup. With nine volunteers, although chilly and a some snow, we spent a hour cleaning up our community. A special thanks to the volunteers at the Town garage who offered hot cocoa and cookies when we dropped off the garbage we collected.

We also helped at the 41st annual Mountain Goat Run; a 10-mile long run that is up and down hills throughout Syracuse. At mile 9, we cheered on over 1,000 runners to help them cross the finish line.

A new project with Interact was the Soles for Souls project. By helping the Tully Senior High School International Club, we collected gently used shoes in both school buildings. With the help of parents, students, and Tully School employees, the project was a big success!

Also, at our monthly Interact meeting, we made 238 sandwiches for the Samaritan Center in record time. All of that practice paid off.

**Congratulations** to our most recent Interactor of the Month, Emma Bielecki! Emma joined our group on Halloween when she arrived with friends to collect Pennies for Polio. She has since attended monthly meetings making hundreds of sandwiches and volunteered at many events, including the final Otisco FD Pancake Breakfast, the St. Leo's Fresh Food Giveaway, poster making for the Soles for Souls project and the chilly Earth Day clean-up. Thanks so much for your willingness to volunteer in our community!

## Insight for the 2019 Kings Corner Market Nights

Signs of spring are all around us and with that comes preparations for the 8th annual Kings Corner Market. The committee got a 7-year itch after last years market and has been working on revisions to the policies and procedures to better serve the community. We are looking forward to seeing what this year's market brings to our locals. Knowing Tully is full of talented and dedicated people we trust you won't be disappointed with what the vendors plan to offer this year.

We listened to customer feedback and even though we can't change the location of the market we are making efforts to consolidate the space. It will still be located on the ROW (right of way) of the streets surrounding the four corners but efforts are being made to bring it closer together. This year vendors will pay a deposit of \$20 and get a \$5 refund for every week they participate, essentially still offering a free market. It's something new we are trying, and we will evaluate the results after the market nights are over. There are plans to continue including a food truck near the music in the park. Customers and vendors appreciate food available while they are outside in the fresh air enjoying the music. We encourage local eateries to also bring food outside to the sidewalks to sell, more food options are good!

Once again, the Tully Arts Council is teaming up and providing the entertainment for the evening. We are grateful for their help with this. Everybody knows music makes everything better! TAG has found great delight in seeing the community enjoy the fruits of their labor with utilizing the Community Park. Remember to pack lawn chairs or blankets so you can spread out, get a bite to eat, listen to music and visit with friends. Friendly reminder that parking is limited in the village and many vendors try to park close to their location in effort to have items close for unloading and setting up. Please be aware local businesses are still open and like to reserve their parking for those who patronize their business. Please be courteous and utilize the abundance of parking at the Post Office and Elementary school.

The continued effort of community volunteers makes this market a success year after year. Tully, NY glasses (pint and wine/water) are available year-round at Earth2 Soul and Rusty Wheel Pottery, proceeds directly support the efforts of KCM.

Mark your calendars 4-7pm, Tuesdays in August- rain or shine, we always have a good time!
