TULLY NEWS

SERVING THE PEOPLE OF TULLY

Update from Supervisor Masters

The Town Board continues to work on the Rt. 11A Water District. As many Tully residents are aware, Allied Chemical / Honeywell had a situation many years ago which contaminated the water in Tully Valley with salt. Honeywell has been maintaining a “water supply” to the residents of the Tully Valley, but now Honeywell is working to leave the area. With significant assistance from Dave Knapp, our County Legislator, we have been working with Honeywell to fund the formation of a water district that will be managed by OCWA.

This project has been complicated by the increased cost of materials driven by such things as, the Covid crisis. We continue to work with all parties, and I feel we are getting very close to a workable agreement.

I want to emphasize that the cost of this project will be borne by Honeywell and the standard water fees from those served by the district and will not burden tax rates of Tully residents. This is a critical need for these residents and something we are working very hard to bring to completion.

I want to announce that the Tully Parks and Rec. Department has named a new chairperson from within their ranks. Jeff Proulx will be taking over the position that Gary Hayman served the community in for many years. We welcome Jeff and again thank Gary for his many years of service.

We will also be dedicating a new road within the Town. This road is a segment of road formally referred to as part of Tully Center Road (turning north by Walburger’s garage). The road will be named “Hazel’s Way “. The necessary road improvements were totally funded by the property developers and will be maintained by the Town going forward.

The Town has scheduled a public hearing on 8/11/21 at 7:00 PM. The purpose of the meeting is to discuss if we should opt out of the new NY State provision allowing the sale of marijuana within the Town.

I would like to thank the Brennen family for a donation to the Town of a historic photograph of the Brennan farm along Rt 80. The photo shows North Road and Meeker Hill, prior to paving. The Photo is a gift from the Brennans: Nick, John, Mike and (Mimi “Austin”).

You should be on the lookout for an article in CNY magazine featuring Tully.

We will continue to sell the Tully, NY pint glasses and stemless wine glasses. Some vendors will have them for purchase throughout the market and they can also be found at Earth 2 Soul and Rusty Wheel Pottery.

Southern Knights at the Cooperstown Bat Classic

The Southern Knights 14u Baseball team competed in the Cooperstown Bat Classic over July 4th weekend. The Classic featured 18 teams from Vermont to Maryland. It took late heroics in the semi final game against the Carlisle Royals to earn a trip to the championship. Down 6-4 in the final frame, Oscar Breitzka singled with 1 out. With the bats hot and Mohat on the mound the Knights jumped to an 8-0 lead in the finals and cruised to an 11-4 victory over the Ithaca Arsenal. Andy Polak provided a big two out, 2 RBI hit. Next up is a trip to Myrtle Beach where the Knights will play top competition from across the country. The following are the game scores from the Knight championship run.

Knights 4 Vernon, NJ Cyclones 1
