TULLY NEWS

SERVING THE PEOPLE OF TULLY

Update from Supervisor Masters

I would like to take this opportunity to recognize the wonderful job that our Highway Departments did, as they dealt with the “unprecedented” rainfall and resulting damage last month. After the massive job of clearing Hollenbeck Rd, they dealt with numerous washouts and debris on our roads. Thank you for your efforts!

I also want to thank Nancy Chawgo, and all involved in organizing our 9/11 Community Day. It was a great success.

We have had numerous requests from citizen groups, as well as, individuals, requesting we work to lower the speed limits on roads within our lake communities. This is especially relevant to the beach area on Lake Rd.

First, let me explain that, the Town of Tully can’t simply change the speed, even on Town roads. We need to work through the County and State DOT.

In January of 2020, I filed a request to Onondaga County outlining the roads and the requested reductions. In Feb. 2020, I received a response requesting to fill in a “TE-9 form.” I did that on the 3rd of Feb. We have followed up on this request on numerous occasions, verifying that the County did forward the request to the State DOT. Our Town Clerk also followed up, and was told by the State DOT that they have our request, but they “are extremely backlogged.”

After receiving an email from one of our citizens expressing extreme frustration, last week, I again called the State DOT and spoke to an Engineer. He indicated the engineering review had been done, but further study was needed. I indicated that after 1 year and 7 months, it would seem reasonable that I should be able to set some expectation with our citizens. I requested a response from the Dept. Supervisor and am currently waiting for this response. (Note: the supervisor was out that week with a family emergency.) I will be following up on this, and if I do not receive a response in reasonable time frame, I will be contacting our State representative. Be assured I share your frustrations and will continue to work on this problem.

Southern Knights End Season In Style

The first week of August meant southern hospitality, oppressive heat and humidity and BASEBALL for the Knights in Myrtle Beach at the Ripken Complex. After four pool play games, the Knights faced an elimination game. They responded in grand fashion as the JD battery of Griffon Filighera and Ryan Walker stymied the Bedford Elite(MA) hitters while Zeke Mohat(Tully) and Eric Michel(Skan.) created havoc at the top of the order for a 6-1 victory.

The next day brought exhilaration and despair as the Knights rallied from a 5-0 deficit to force extra innings before eventually falling to the Maine Mountaineers 6-5. With the Knights starting pitcher knocked out in the first, Andy Polak(Tully) threw 6 innings of shutout ball to keep the Mountaineers at bay. The bats rallied to tie the game in the seventh, but were unable to put a run across in the eighth and the Mountaineers executed a suicide squeeze for the win in the bottom of the frame.

A great trip came to an end but the resolve carried forward two weeks later as the group scored a dramatic come from behind win in the championship game of the Cortland Crush Summer Classic. Down 7-3 with six outs to go, the Knights rallied with Filighera blasting a go ahead two run double in the bottom of the sixth. Three outs remained. Ben Lovell(CBA) closed the deal in impressive fashion taking care of the top of the Crush order for an 8-7 victory.

The players would like to thank the community for the kind words and well wishes throughout the summer. The 2022 season will start June 24, back in Cooperstown where the Knights look to defend their title!

Interact News

September 2021

Our Interact Club is off to a great start! We had members at each of the weeks for the Kings Corner Market. We had games set up in the Cornerstone Park for both children and adults to enjoy. In September we helped some residents of The Meadows move some furniture so their flooring/carpeting could be replaced. We will also be at the Community Fair looking to recruit new members. Our members are all 12 - 18 years olds who enjoy providing service to others. If that sounds like you, please contact us at Tullyinteractclub21.22@gmail.com. You can also check out our Facebook and Instagram accounts at Tully Interact. We hope you'll join or club.

Tully Class of 2021 Students and Parents

The senior banners hanging in the village will be taken down in early October. We hope to clean them, cut them apart, and then have a time for pick-up in October. We will share the date, time and location to pick up the banners as soon as they are down. If you have questions, please text 315-345-5763. Thanks!

Community Day

THANK YOU

The Tully Historical Society would like to THANK all the volunteers and vendors who helped to make the day successful.

Parade winners were: Float – Samantha’s for their tribute to 9/11; Marching Adult Unit – Tully Fire Dept. Color Guard; Youth Marching Unit – Tully Girl Scouts; Decorated Bicycle Unit – Tully Cub Scouts, and Antique Vehicle – Dick McKnight.

News from Tully Free Library

If you are not yet a patron of Tully Free Library, now is a good time to become one! September is Library Card Sign-Up Month. We are running a promotion all month long in which new patrons who apply for library cards can be entered into a raffle for a prize drawing! We have a cute mug/tote bag combo to give away: one for kids, and one for teen/adults. Stop in anytime this month to apply for a library card: it's your ticket to adventure!

Take part in a walking adventure by joining us for our Route 80 Virtual Century Walk! Participants will log their mileage during the week and we'll see how long it takes us to walk the 105 mile distance to the end of Route 80 East, which is in Nelliston, NY. Call the library or email llene@tullyfreelibrary.org for more info and to sign up. Each participant will get a calendar tracking sheet to log their miles! This event starts on September 19.

The first title in our new book club, (Friends, Family...and Food!) is in. We're reading "The Particular Sadness of Lemon Cake" by Aimee Bender. Stop in and pick up a copy! Our discussion will take place on Monday, October 4 at 7 PM. Please sign up on our website for this event.

Tykes Time Story Time for the little ones will be starting soon. Please check our website and Facebook page for updates about our children's and teens' programming.

Tuesday, September 28th is National Voter Registration Day. Feel free to stop into the library and register to vote online using our computers.

New books, DVDs and more are being added to our collection weekly. It's a great time to see what's new at Tully Free Library!

Two Tully Action Group Programs:

*Thursday, September 30 at 4:30 PM there will be a program and walk around the ESF Chestnut Research area at 550 Rt. 281 in Tully. Jeffery Zarnowski, SUNY ESF Chestnut Project Greenhouse and Field Manager will explain why all those trees are planted and fenced in near the Tully High School. Rain or shine and all are invited to learn about this important research on the American Chestnut Tree that almost disappeared from the environment.

* Open TAG meeting on Thursday, October 7 at 7:00 PM at Tully United Community Church, 5872 Meetinghouse Road. Learn about TAG's stewardship of the Central NY Land Trust properties at South Meadows and Tracy Lake. What environmental/community projects will TAG take on now that Cornerstone Park is near completion? What is the current status of the Fellows Falls land? All are invited.

IMMEDIATE JOB OPENING

The Tully Town Court has an immediate opening for a court clerk.

Strong computer skills a MUST. Legal experience preferred.

911 Memorial

On the evening of September 11th, 2021, the Tully Hose Co#1 members participated in a commemoration ceremony of their new 9/11 Memorial at the Fire Station. The monument consists of a piece of steel from the World Trade Center mounted on a steel tribute which memorializes the twin towers, Pentagon and Pennsylvania.

The Tully Hose Company would truly like to thank Essex Structural Steel Co Inc for the design and fabrication of the monument as well as Little York Plantation for the beautiful landscaping.
