## **News from Tully Free Library**

Thanks to everyone who took part in our 2022 Oceans of Possibilities Summer Learning Program! We hope you enjoyed our programs and events, as well as all the reading you did! We had 50 youth and teens sign up, as well as 44 adults: we truly appreciate the support of this year's program.

As we get ready for Fall and back to school season, we're still going to be busy! September is Library Card Sign-up Month. Kids as young as kindergarten age can get their very own library card, which gives them access to materials throughout Onondaga County! Make sure to stop in and get a card if you don't have one already.

Our yearly Book Sale takes place during the Tully Community Fair on September 17th. Save the date so you can come and pick out a book to add to your permanent collection!

We have two book clubs starting in September that will meet monthly in the evening. "Around the World at Bookshops" meets monthly on Monday nights at 7 PM, and "Thrills and Chills" Book Club will meet on Fridays at 5:30 PM. The first selections are available for check out now. We hope you'll join us!

We are partnering with the Alzheimer's Association to bring you a series of programs to help people understand Alzheimer's and dementia. Our first event is on Tuesday, September 27 at 11 AM and will continue once a month through December.

You can find more information about the programs we offer at our website ([www.tullyfreelibrary.org](http://www.tullyfreelibrary.org)), on our Facebook page, or by calling us at 315-696-8606. Fall is a wonderful time to check things out at the library!

## **Parks and Recreation**

The parks and recreation board would like to welcome Trina Storm and Sarah Brown-Paul to our board. We look forward to working with you both!

The last day of the Green Lake 2022 beach season will be Friday August 26th. A huge thank you to all of the life guards and gate guards who have worked hard this summer. It's been a wonderful summer at Green Lake!

The Tully News is a monthly publication of the Tully Town Board. The Town Board meets on the Second Wednesday of each month at the Town Hall. Deadline for publication is the night of the Board meeting. Materials may be submitted to: The Tully News, 19 Railroad Street, Tully, 13159 or they may be e-mailed to: [ben.bibik@outlook.com](mailto:ben.bibik@outlook.com)

## A Sweet, Sassy and Sublime Afternoon of Jazz

Sunday, October 2 3PM

Tully United Community Church

John Spillet Super Trio

Featuring John Spillet on Sax

Andrew Carroll on Keyboard

Jimmy John on Drums

Apres Meet and Greet with dessert.

This Free Concert made possible  
by CNYarts grant, TAG Partners in  
Motion, and many angels!

## VOLUNTEERS NEEDED

The Tully Hose Company is looking for volunteers to join the fire service. If you are interested in helping out, they are looking for drivers, exterior and rescue, and those individuals interested in doing interior work.

Stop by the fire station and pick up an application today.

## Annual TAG Garage Sale

Friday and Saturday,  
September 16&17, 8:30 - 4:30

at Tully United Community Church, 5872  
Meetinghouse Road in Tully

This fundraiser benefits Tully Action Group for  
Community projects.

Donation items will be received Tuesday-  
Thursday between 9 & 5 pm at the church

(no clothing, electronics, tv's or exercise  
equipment accepted for donation)

## Wine Bottle Recycling

OCCRA is Partnering with TOMRA to recycle  
wine/liquor bottles separately to be made into  
new bottles.

Please save your wine and liquor bottles and  
bring them to the large labeled

trash bin behind Fine Wines Tully behind The  
Local Food Market, 8 Clinton St.

Tully Action Group and the new village  
environmental task force will take them to the  
T&T Redemption Center in Marietta.

Anyone can drop off their own wine/liquor  
bottles at one of 10 redemption centers that  
recycle this specific non-deposit glass.

Further information is available at [OCCRA.org](http://OCCRA.org)

## SAVE THE DATE

### TULLY ALUMNI GATHERING

**Sunday, September 25<sup>th</sup>**

**2:00-6:00 at the LOFT**

**Look for further information on**

**Facebook**

### What is the F.I.S.H. Program?

For the last several years, PEACE, Inc. has provided a transportation program called F.I.S.H. which stands for Friends in Service Here. People in the communities of Tully, Fabius and LaFayette who need a ride to a medical appointment can call the "FISH" line and either speak with a volunteer dispatcher or leave a message for them to call back regarding their appointment date and time. Rides are provided on Tuesdays and Thursdays by volunteer drivers who drive either once a month or randomly as needed. The service is free and donations are accepted. Donations are used to reimburse volunteer drivers for mileage if needed.

At this time, volunteer drivers and riders are needed! If interested, please call PEACE, Inc. and speak to Barb about this great community service. It is a terrific way for new retirees to stay busy. The average time involved is 2 hours and appointments are either in Syracuse, Cortland, Dewitt, Camillus or Tully.

If interested, please call PEACE, Inc. at 315-696-8203.

### TULLY CLIMATE SMART

The Village of Tully's Climate Smart Community Task Force is looking for anyone with ideas on how to reduce the greenhouse gas emissions for the Village. We are focusing right now on reducing food waste, with an accent on composting. If you would like to join the discussion and help with this process, you can come to our monthly meeting (next one is 8/31/22 at 5:30 pm, at the Tully Town Hall), or contact Kathy Vernay at [kvernay@twcny.rr.com](mailto:kvernay@twcny.rr.com) or 315-416-6629. We need ideas and energy from our local residents!

The Village has posted a job opening for a full time employee. Call the Village Clerk, 315-696-5041 for details.

The Wastewater Treatment Plant has insulated its offices with spray foam to reduce energy use and greenhouse gas emissions. The facility will be getting a free Level II Energy Audit to find more ways to save on energy costs.

### Saving the planet ideas

1. Reuse bread bags - just empty out the crumbs and you're good to use again!
2. Cut junk mail paper that is blank on one side into thirds - great for lists of all kinds!
3. Reuse 'blanket zipper bags' for segregating and organizing your vacation clothes in your luggage.

### Did you know?

√ There is a lab at Upstate to which you can send a tick for identification and testing for any disease it might carry. And it's FREE! Go to <https://thangamanilab.com/tick-submission>

√ Paint recycling: Most Sherwin Williams stores in this area will accept your excess paint through a program called PaintCare (<https://www.paintcare.org>)

Please visit our Tully Climate Smart Community Facebook page for more tips on helping the environment.

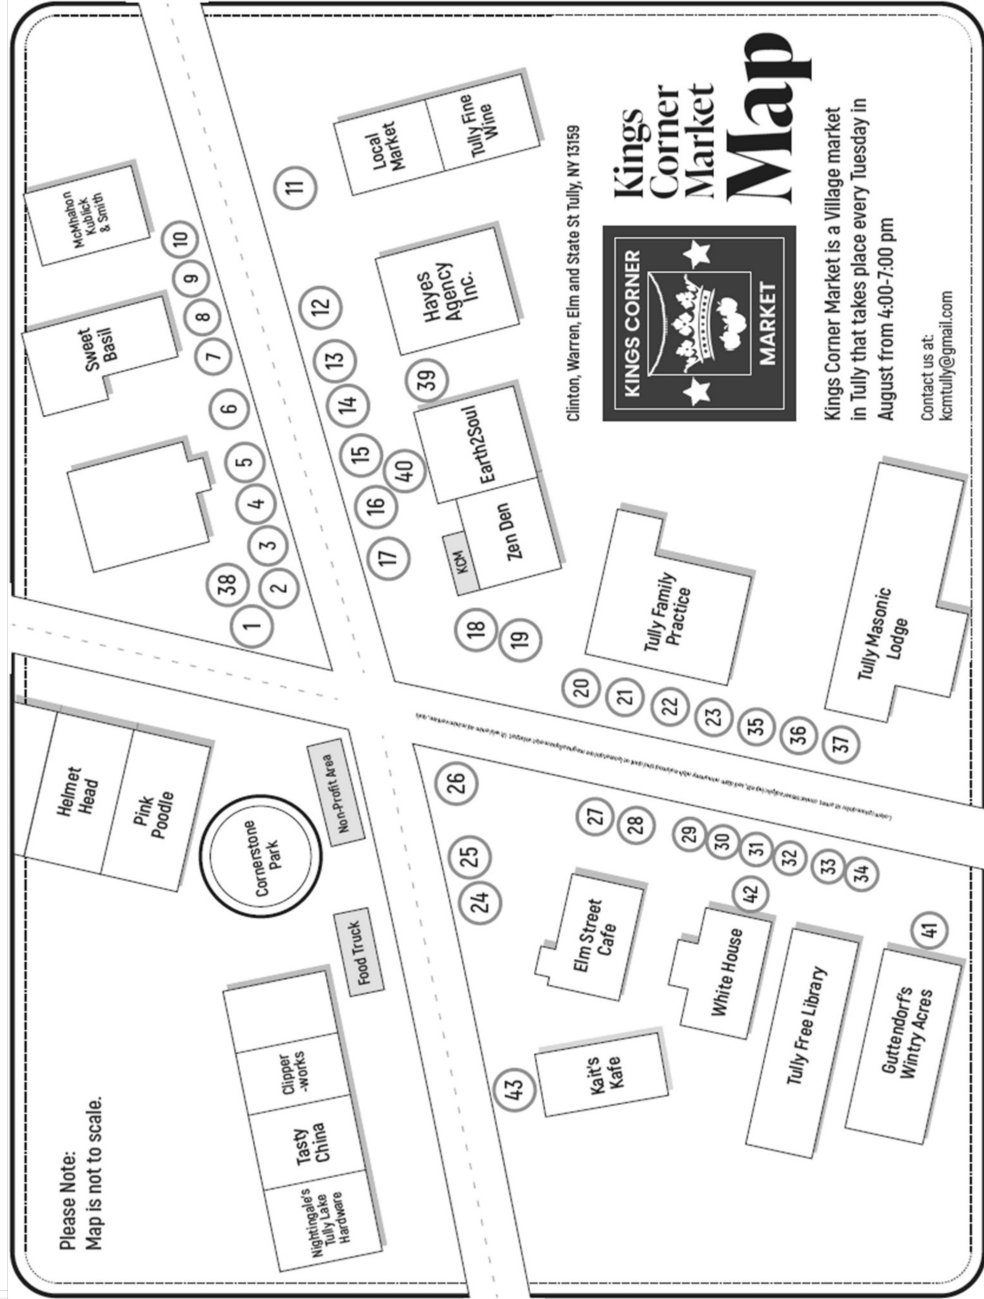

### Youth Soccer

Youth soccer, Pre-k to 6th grade, will begin in September. Please join us for a family registration night Wednesday August 24th from 5-7pm. The soccer club will have the snack shack open serving hot dogs and snacks. Varsity soccer players will be there to play games with the kids, and we will be providing a coaching clinic for our amazing parent coaches who volunteer each year!
