TULLY NEWS

SERVING THE PEOPLE OF TULLY

Tully Arts Council

The Tully Arts Council is bringing back two of its favorite long-time series events for the winter holidays, the Sing-Along Messiah and Songs For a Winter's Night. All events are performed without an entrance fee, although donations for the artists are gratefully accepted.

1] Handel's Messiah [Part the First]

December 18th, 6:30 PM, Tully United Community Church

This wonderful Christmas tradition has been performed in Tully each year, except during the pandemic, since December 2004. The Christmas Canon of G. F. Handel's epic MESSIAH [Mozart arrangement] will once again be performed on the evening of December 18th at TUCC, which is hosting the event for the first time due to the high school auditorium being under construction.

Conductor Victor Vallo will lead the sixteen-piece orchestra, twelve local soloists, and the chorus [plus any audience members that would like to sing along] in the first 20 songs, plus the Hallelujah Chorus. Per tradition, we will then adjourn to the Community Room for Christmas cookies [which the audience often brings] and hot spiced cider. The entire concert takes about an hour.

2] Songs for a Winter's Night, Sundays from Jan. 8th to Feb. 5th, 6:00-8:15 PM, Tully Train Depot [food available for purchase from 5:30 PM on]

This beloved concert series on Sunday nights has been rocking the Train Station since 2006, and features some of the greatest acts, local and from the greater Syracuse area, warmed by a blazing fire. Some of this year's acts include Todd Hobin, Dave Zawadzki, Butternut Creek Revival, Biggs and Young, Loren Barrigar and many other wonderful artists. Brighten your Sunday winter nights this January--get there early, it's going to be an amazing season!

Town Highway News

With the winter season fast approaching, please remember the parking rules and laws that are in place for the Village, Town, and State.

There is no parking from 2am—6am on all roads from November 1st to April 1st in the village of Tully. This is for your and your cars's safety.

Article 1219 of the New York Vehicle Traffic law prohibits plowing, shoveling, or blowing of snow into a street or highway. This law also covers other items likely to pose a hazard to motorists including glass, nails, wire, cans, etc. Fines for a first offense include up to a \$150 fine and/or 15 days in jail, plus applicable surcharges.

This law also stipulates that anyone that places or permits to be placed upon any highway any material which interferes with the safe use of the highway shall immediately remove the sum or cause it to be removed. This includes SNOW! If you are a homeowner and you hire a person to plow your driveway, and you permit him/her to plow snow into the road, you could be cited under this law.

The town highway dept asks that you respect the law as laid out above. This is for the safety of all. Compliance makes it easier for everyone concerned.
