## **Knights Fall in Championship**

The Southern Knights made their annual pilgrimage to participate in the 16u Cooperstown Backyard Classic. Featured in the opening game at historic Doubleday Field, they didn't disappoint, wearing down the Yellowjackets late. Zeke Mohat (Tully) was a thorn in the side of the Oneonta fire baller, getting on base 4 times and scoring 3 runs. Cooper Marko (CBA) and Andy Polak (Tully) were the beneficiaries, combining for 5 RBI's. Griffon Fillighera (JD) threw 6 strong innings. In game 2, the Knights found themselves in a 0-0 tie after 4 innings against the Thunder from Kingston, Ontario. A combined no hitter from Ben Lovell (CBA), Marko and Anderson Roden (Liverpool) allowed the Knights to pull away late. Mohat and Marko contributed 2 hits apiece at the dish. A matchup with the Montreal Titans was bypassed due to rain, pushing the higher seeded Knights into the semi's against the S. Jefferson Blizz. The Knights prevailed after 8 intense innings with Marko tossing a complete game and knocking in John Walker (Ithaca) with a walk off single. In the Championship, the Knights ran into a powerhouse Rochester Cougars squad. Polak and Roden gave the Knights a chance with steady pitching but the offense never got on track, with Mohat and Marko only scratching out a pair of singles. The Knights enjoyed a great summer of baseball. Thanks to the community for the support and the many parent volunteers who made the game environments so enjoyable.

## VOLUNTEERS NEEDED

FISH (Friends in Service Here) is a volunteer organization that provides transportation to medical appointments for individuals unable to drive themselves and unable to arrange other transportation. The program is primarily sponsored by PEACE, Inc. It currently serves those residing in the towns of Fabius-Pompey, LaFayette and Tully.

Drivers and Dispatchers are needed in all 3 communities.

**Drives:** The minimum commitment is one drive a month that is scheduled on a specific day, according to your availability. Some drivers choose to be "random drivers." They agree to be called for rides that have no scheduled driver or when there may be two drivers required in one day. Of course, the random drivers have the option of declining a drive if they are not available. Volunteer drivers are reimbursed for mileage and are equipped to provide transportation for the ambulatory only.

**Dispatchers:** Dispatchers are assigned one week (Monday—Thursday) a month, according to their availability. They receive calls from riders, take their information regarding their needs and call the driver that is scheduled for the day needed, passing along the information. Being a dispatcher does not require you to sit at home waiting for your phone to ring on your week. You can carry a cellphone with you wherever you go or let the rider leave a message on your home phone. Then call them back as soon as you can. Riders are required to call at least 3 days prior to their appointments.

**Riders:** Riders are also needed. Since COVID, the number of riders has decreased.

The FISH program is a FREE service. All drivers and dispatchers are volunteers. Please spread the word that more drivers, dispatchers, and riders are needed.

If you can spare one partial day a month (or more) to help out your neighbors, call Barb at (315) 696-8203.

## FREE After School Program Volunteers Needed

PEACE, Inc. is recruiting participants for our FREE After School Program for 2023-2024. We have 4 openings available.

We meet at our office from 2:30 – 4:30 on Mondays and Wednesdays during the school year and follow the school calendar of holidays and vacations. We provide healthy snacks, educational activities, and seasonal field-trips. If needed, we can provide transportation.

All are welcome – Grades 3-6, boys and girls.

Contact: Brenda Nellenback at (315) 696-8203.

## Parks and Recreation

We had a wonderful summer season for parks and recreation! The tennis courts and pickle ball courts have been busy. We are working on getting some official pickle ball nets for the community to use! We had lots of participants in our camp line up. STEAM, Basketball, Volleyball, Jr. Knights and Soccer camps were fun for all. Thank you to all the coaches and teachers who made these programs run so successfully. Green Lake closed August 25th, thanks again to our amazing staff! Soccer season is in full swing with participants from prek-6th grade.

**We hope to see many community members at the Communities Kicking Cancer event September 30th. We will have parks and rec league games vs. Fabius during the day, finishing with both our girls and boys varsity teams playing. This is a wonderful event that we hope many of our families will attend!**

## News from

## Tully Free Library

Thanks to everyone who registered for our Summer Reading Program, “All Together Now,” which ended on August 18. From kids, teens and adults, we had over 80 people participating! We hope you enjoyed playing along and we’re glad you made reading a big part of your summer!

We received big news earlier this month! We were officially told that we have been awarded funding from the 2023 NY State Library Construction Grant! The award will fund 75% of our upcoming Revitalization Project, which we will use to update our library facility. We then must raise the remaining 25% ourselves. More information about our fundraising plans will be on our website and Facebook page. Save the date: we’re planning something big at ONCO on October 8<sup>th</sup>!

We are currently holding a raffle drawing for a brand new iPad Air! Stop into the library and take a look; your \$10 donation goes to support our revitalization project.

We are hiring! If you or someone you know would be interested in joining our team, stop in, or see our website for a list of job openings.

While summer ends, we are making plans for a fun fall at the library! September is Library Card Sign Up Month; our book sale starts during the Community Fair on September 16<sup>th</sup>; our book club starts up again (the first title is in the library now); and we’re planning all kinds of programs for kids, teens and adults. We look forward to seeing you at the library this fall!
