Parks and Recreation

Parks and Recreation is enjoying a wonderful soccer season. We have 12 teams from pre-6th grade with the 3rd-6th graders playing league play with LaFayette, Fabius and DeRuyter. We have special events on September 22nd for Tully homecoming with our little athletes escorting the varsity players onto the field; and on September 30th at the Communities Kickin' cancer event in Fabius Pompey. Youth games start at 9:30am leading up to the varsity teams headlining the day at 4:30pm

We strive to keep our bathrooms clean and available for all to use, with that in mind we ask that you kindly do not put your dogs doo-doo in the bathroom trash cans! There is very little ventilation in these spaces, they're only cleaned on Fridays soooooo if you deposit your pups poop on a Monday it gets very stinky for all our athletes and community members that are in and out of our bathrooms. We thank you in advance.

Country Peddler

Please join us for Nights at the Country Peddler each Wednesday evening in October! This is an opportunity for those that are not able to visit the Country Peddler during their usual hours to come see all the Peddler has to offer, you don't want to miss this! Join us for shopping and light refreshments from 5:30-7:30pm each Wednesday in October.

St. Leo's Church

It still feels like summer, but we at St. Leo's are thinking ahead to a cooler season! As in the past St. Leo's Church will be selling Christmas arrangements, wreaths, and swags. To get an idea of how many, we are again asking people to call (315)413-9849 or email (stleosbazaar@gmail.com) to pre-order your arrangements, wreaths, and swags. If you have specific requests about color, size, etc, please include those in your email or ask for a return call.

Again this year you will be able to come into St. Leo's garage to pick out wreaths, swags, and arrangements on Saturday, December 2nd between 9:00 am and 11:00 am. Thank you for your continued support!

Fellow Falls

Recently we became refugees for a short period of time having to leave our belongings behind with no sense of when or how things would return to normal. It made me mindful of how many populations have had to leave their homes permanently, forever...as the original settlers, the indigenous natives had to. This kind of tragedy has affected millions around the globe.

Over time this beautiful planet has taken care of itself, sharing it's bounty and providing for us no matter how destructive we are...and it will likely survive us. Those of us who have enjoyed the beauty of this small strip of land are privileged. Many do not know it exists. Soon it will transfer to the Onondaga Nation to savor, protect, manage and share amongst your families.

We also realize this treasure is no longer ours to pursue. This will be the property of the Nation to decide it's future and care - it will be in good hands. And as we relinquish our role, we hope you understand that we believed we shared a common goal to be able to help care for the land and introduce it's beauty to all our families.

We wish you peace and success in attaining all the resolutions needed to secure Fellows Falls. Thank you for enlightening us, sharing your candor and your patience.
