TULLY NEWS

SERVING THE PEOPLE OF TULLY

Parks and Rec

Parks and Recreation would like to send a special shout out to Ben Fleckenstein. Ben is an Eagle scout, the highest honor in scouting. For his Eagle scout project Ben chose to refinish all the picnic tables in the town pavilion. This was no small task, it required replacing boards as well as sanding and repainting. Ben not only planned every step of the process, but also brought a team to help him to efficiently accomplish this task on a cold fall day! We thank you Ben, and all your crew that came out to help and support. If you use the pavilion please take note of the improvements. Good luck on your future endeavors Ben.

We had a wonderful soccer season, thank you to all who volunteered their time to coach! Thanks also to Jack McNerney Chevrolet for their continued support of our youth soccer program!

Basketball season is under way, games start in January. Please email tullyparksrec@gmail.com for more information.

Pumkin Walk

The Class of 2027 would like to give a HUGE Thank You to the Tully Community as well as surrounding communities for their support and help in making our 1st Annual Knight of Pumpkins such a big success!

We hope to see you next year on Friday 10/25/2024! Save the Date!

Town Highway News

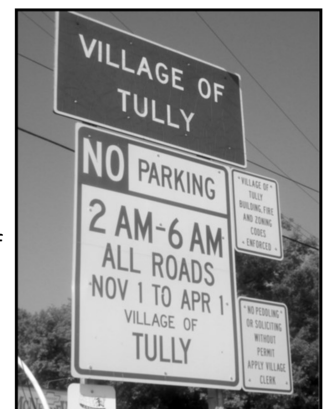

With the winter season fast approaching, please remember the parking rules and laws that are in place for the Village, Town, and State.

There is no parking from 2am—6am on all roads from November 1st to April 1st in the village of Tully. This is for your and your cars's safety.

Article 1219 of the New York Vehicle Traffic law prohibits plowing, shoveling, or blowing of snow into a street or highway. This law also covers other items likely to pose a hazard to motorists including glass, nails, wire, cans, etc. Fines for a first offense include up to a \$150 fine and/or 15 days in jail, plus applicable surcharges.

This law also stipulates that anyone that places or permits to be placed upon any highway any material which interferes with the safe use of the highway shall immediately remove the sum or cause it to be removed. This includes SNOW! If you are a homeowner and you hire a person to plow your driveway, and you permit him/her to plow snow into the road, you could be cited under this law.

The town highway dept asks that you respect the law as laid out above. This is for the safety of all. Compliance makes it easier for everyone concerned.

News from Tully Free Library

We are looking forward to our 12th annual Turkey Trot on Thanksgiving Day this year, and we want to thank all our business sponsors, volunteers, and everyone who registered to participate! This event has traditionally been our biggest fundraiser of the year in support of our operating budget, which helps us to continue to bring you great programming and enhance our library collections. We hope to bring you a great event this year!

Our library has received some grant funding recently that we are pleased to tell you about. First, we were awarded \$500 from Fidelity Charitable on behalf of donors Jonathan Salk and Elizabeth Shepherd. These funds were given in honor of our long time staff member Sonja Shepherd! We plan to use these funds to help outfit our children's area with items that won't be covered during our upcoming revitalization project. Congratulations to Sonja on this honor!

The ALA has awarded us a \$20,000 Libraries Transforming Communities grant which is geared to help small and rural libraries. We are very excited to receive this funding and would like to thank our former director, Annabeth Hayes, for all her hard work writing this grant. The funding will go toward making our library more accessible to the neuro-divergent population in the area, and we will be reaching out soon to interested residents for a community conversation about how best to use the funds to serve them.

As you can see, we have much to be grateful for! We are of course, most thankful for the support of this wonderful community! We hope your Thanksgiving holiday brings you happiness as well.

Please note that we will be closing at 3 PM on Wednesday, Nov. 22 and will be closed on Thursday and Friday the 23rd and 24th for Thanksgiving.
