TULLY NEWS

SERVING THE PEOPLE OF TULLY

News from Parks and Recreation

As soccer season is wrapping up, we like to take this opportunity to thank our sponsor, Jack McNerney Chevrolet, who has helped to support our rec programs for many years.

As we close our soccer season, we would like to wholeheartedly thank our volunteer coaches. This season we had a coaching shortage and had some soccer teams that were way over capacity. Our programs function is because parents are willing to volunteer their time to coach and facilitate a positive experience for the children of our community. Please consider coaching so that we don't ever have to cap the number of participants in our programs due to lack of coaches.

Basketball and volleyball registrations will start in November.

As many of our community members are aware, the restrooms at the town pavilion are open and available for use every day of the week! We have installed locks that allow us to program times for opening and closing of the restrooms remotely. This fall we have had some issues with the locks. We believe the issue is folks manually locking the locks to have privacy. Unfortunately, this throws off the automations of the system. We ask that you PLEASE do not touch the locks while using the restrooms. We are trying to make them as accessible as possible and need the community's help to not damage the lock system. These bathrooms will also be renovated this winter. We look forward to having even better facilities for our community members soon!!

We are making the official announcement that Tully Parks and Rec will be hosting a new event, the Kettle Lakes Triathlon, September 14, 2025! We will need lots of volunteer help for this event. If you are interested in helping or sponsoring, please email tullyparksrec@gmail.com for more information.

The Parks and Recreation board will have an open position starting January 2025. If you are interested in joining our board, please mail or email Sue Vaccaro, the Town of Tully clerk, with a resume and letter of interest. tully-townclerk@cnyemail.com, 5833 Meetinghouse Rd., Tully NY.

“Christmas @ The Station”

Once again this event will be held Thanksgiving weekend at the Train Station; November 29, 30, and Dec. 1. Opens at 9:00 a.m.

Our flyer and registration form can be found on our website (www.tullyhistoricalsociety.org). A variety of homemade arts and craft vendors are welcome. Soup and Sandwich lunch available for purchase. T.A.G. will be taking orders for Christmas cookies. Feel free to call 315-696-4681 with inquiries.

Town Highway News

With the winter season fast approaching, please remember the parking rules and laws that are in place for the Village, Town, and State.

There is no parking from 2am—6am on all roads from November 1st to April 1st in the village of Tully. This is for you and your car's safety.

Article 1219 of the New York Vehicle Traffic law prohibits plowing, shoveling, or blowing of snow into a street or highway. This law also covers other items likely to pose a hazard to motorists including glass, nails, wire, cans, etc. Fines for a first offense include up to a \$150 fine and/or 15 days in jail, plus applicable surcharges.

This law also stipulates that anyone that places or permits to be placed upon any highway any material which interferes with the safe use of the highway shall immediately remove the sum or cause it to be removed. This includes SNOW! If you are a homeowner and you hire a person to plow your driveway, and you permit him/her to plow snow into the road, you could be cited under this law.

The town highway dept asks that you respect the law as laid out above. This is for the safety of all. Compliance makes it easier for everyone concerned.

Sponsored by Tully Parks & Rec, the TullyRec.org website was created to help bring community members together in fun activities that keep us active and engaged in our community. Visit TullyRec.org to see activities that are currently scheduled or ongoing and to join any that interest you. If you don't see an activity that matches your interests, consider starting a new one. News from Tully Free Library

Registration is open for our 13th annual Turkey Trot 5K Run/Walk, held on Thanksgiving Day! This event has become a holiday tradition for the area, and we are excited to be bringing it to you again! It is also a major fundraiser for our library operations, helping to fund our collection development, programming, and much more.

Paper registration forms for individuals and families are available at our space in the Tully United Community Church, or you can register online at our website at tullyfreelibrary.org. Registrations received before October 30th will include a free t-shirt or neck buff, so don't wait!

If you have volunteered to help out at the Turkey Trot in the past, and would like to again, (or if you'd like to help out for the first time), we would love to have you join us! This is a fun community event that has remained popular all these years! Please give us a call or send an email to: ilene@tullyfreelibrary.org and we'll add you to our Turkey Trot volunteer list!

While we cannot hold our Halloween party and costume contest this year, we will have cider, donuts and treats for our patrons throughout the day until we close at 5 PM. Stop in and help us celebrate the fall season!

Looking ahead to November, we'll be closed on Monday the 11th for Veteran's Day, closing at 3 PM on November 27th, and closed on Nov. 28 and 29 for Thanksgiving.
