GREEN LAKE BEACH OPENING!

Green Lake Beach opens for the season on
Wednesday, June 24th!

Beach hours will be:
1:00 p.m.—8:00 p.m.
7 days a week

Tully School District residents may register at the beach during their first visit. A **one-time \$10 family fee** will provide beach access for the entire summer.

SWIM LESSON REGISTRATION IS NOW OPEN

Swim lessons at Green Lake are available for children **ages 3 and up**.

Lessons are **Red Cross certified** and directed by our Water Safety Instructors, with assistance from our lifeguards and beach staff.

Register online at:
active.com
Search: **Town of Tully**

SUMMER CAMPS ALSO AVAILABLE

We are offering several exciting summer camps, including **art, music, soccer, and fitness**.

Please see the included flyer for camp dates and ages.

Register online at:
active.com
Search: **Town of Tully**

**Come swim, learn, play, and enjoy summer at
Green Lake Beach!**

Update from the Supervisor

The Town of Tully will hold a **Public Hearing on Monday, July 8, at 7:00 PM**. The purpose of the hearing is to gather public input on a proposed new local law regulating “solicitation” within the Town. Residents are encouraged to attend and learn more about the proposed law.

Immediately following the public hearing, the regular July Town Board meeting will begin.

During the July meeting, the Town Board will receive recommendations from the Zoning Committee. These recommendations will be presented by the Town’s zoning consultant, B&L. Please note that this portion of the meeting is **not** a public hearing on zoning updates, but rather a presentation of recommendations for the Board’s consideration.

The Town is also pleased to announce that it has received a **\$71,000 grant award from the New York State Department of Environmental Conservation**. This funding will help support the construction of a paved sidewalk from the High School to the Route 281 intersection. The project is intended to improve pedestrian access and safety along this important corridor. The Town is currently working to obtain the necessary easements from Tully School and ESF to move the project forward.

In addition, the Town has received a grant from the County to fund planning for a future expansion of the walkway to Green Lake. This planning grant represents an important step toward exploring improved connectivity and recreational access for residents and visitors.

Fitness Camp, Mornings 7/6-8/13

Congratulations, Tully High School Seniors

Congratulations to the graduating seniors of Tully High School on reaching this important milestone. Graduation is a major accomplishment, one that reflects years of hard work, dedication, growth, and perseverance. You have earned this moment, and your community is proud of you.

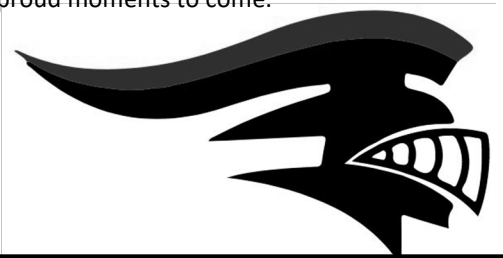

As you step into the next chapter of your lives, remember that this achievement is not an ending, but a beginning. There will be many more accomplishments ahead, some planned, some unexpected, and some that will come only after challenges that test your patience and strength.

Carry with you the lessons you have learned, the friendships you have made, and the values that have helped shape who you are. Be curious. Work hard. Treat people with kindness. Do not be afraid to ask questions, change direction, or try again when things do not go

as planned. Success is rarely a straight road, and sometimes the detours teach us the most.

Wherever life takes you next, whether to college, the workforce, the military, a trade, travel, or a path all your own, move forward with confidence and purpose. Believe in your ability to learn, grow, and make a difference.

Congratulations, Class of 2026. Your future is wide open, and this is only the first of many proud moments to come.

TULLY ALUMNI GATHERING

**The Loft at Vesper Hills
Noon–4:00 p.m.**

All Tully alumni, retired faculty, and staff are warmly invited to join us for an afternoon of memories, laughter, and reconnection.

Come greet classmates, teachers, coworkers, and friends you may not have seen in a while. It's a wonderful chance to catch up, share stories, and enjoy friendships from years past.

No reservations needed. Just stop in!

A **\$5 donation** is requested.
Light refreshments will be served.

All classes welcome. Retired faculty and staff welcome.

We hope to see you there!

Hot Weather Safety Advisory from the Tully Hose Company

With hot summer weather approaching, the Tully Hose Company reminds everyone to take extra care when spending time outdoors. High temperatures, strong sun, and humidity can quickly lead to heat-related illness, especially for children, older adults, outdoor workers, athletes, and anyone with certain medical conditions.

To help prevent heat exhaustion, heat stroke, and sun overexposure:

Drink plenty of water throughout the day, even before you feel thirsty. Take breaks in the shade or air conditioning whenever possible. Wear lightweight, light-colored clothing, a hat, and sunscreen. Try to limit strenuous outdoor activity during the hottest part of the day, and never leave children, pets, or vulnerable individuals in a parked vehicle.

Know the warning signs of heat illness. Watch for heavy sweating, dizziness, weakness, headache, nausea, muscle cramps, rapid heartbeat, confusion, fainting, or hot, dry skin. Heat stroke is a medical emergency. If someone becomes confused, passes out, has a very high body temperature, or stops sweating while overheated, call 911 immediately and move the person to a cooler place while help is on the way.

Sun exposure can also cause serious burns and dehydration. Reapply sunscreen regularly, seek shade, and keep an eye on children and neighbors during hot days.

Enjoy the summer safely. A little caution can prevent a serious emergency.

Tully Arts Council presents

THE ALUMNS!

Saturday, July 11th, 2026 | 1:00 PM

Tully United Community Church

Local Roots. Limitless Talent. One Inspiring Afternoon.

The Tully Arts Council, also known as The Tully Council for the Arts, was founded in 2003 to create and support opportunities for people of all ages in our community to make and enjoy every kind of art—music, theater, dance, visual arts, writing, woodworking, knitting, sculpture, and more.

**This summer, a special event—
the first of its kind in Tully—will take place.**

ALUMNS is a celebratory showcase of talented individuals who grew up in or came to Tully, participated in Tully Arts Council programs, and have gone on to build careers as professional artists. This first ALUMNS performance will feature these artists in music, theater, dance, and visual art displays.

**Come celebrate their journey and be inspired by
the creativity that starts right here in Tully—
and reaches the world!**

Support the Arts. Strengthen Our Community.

There is no ticket price, but donations are always appreciated.

News from

Tully Free Library

Registration is open for our Summer Reading Challenge which starts July 6. Kids, teens and adults can earn prizes for reading as part of our “Unearth a Story” theme. Sign up today and get a free book bag!

We are partnering with the Tully Area Historical Society in July to pay tribute to Tully’s Revolutionary War history. Make sure to check out the display in our fireplace area, where you can learn about the Revolutionary War heroes who are buried in the cemetery, pick up a brochure for a self-guided tour, and see other relevant information.

Our summer is chock full of programming for patrons of all ages! Upcoming highlights include: a local author talk: *Dreams of Freedom*, with Marilyn Higgins on June 22; and our Colonial Coffeehouse event on July 7, celebrating 250 years of the Declaration of Independence. Kids will enjoy Jeff the Magic Man on July 7 and Zoo to YOU on July 14. Join us for lots of crafts, games, trivia, movies and more all summer long! More information is on our website at tullyfreelibrary.org. We look forward to seeing you at the library!
